

The UnitedHealthcare Asian Initiatives Team

30 years of caring, customer-based support

With you every step of the way

We help **simplify** health care and serve as your one stop service for plan selection and member services. We **personalize** our responses and information based on your preference. We understand the unique needs of our Asian-American members and **care** about your health. Health care can be complex, and we work to make it easier for you to access and understand.

As a UnitedHealthcare member, your Asian Initiatives team provides you with:

-  In-language member service and dedicated group service
-  Personal health insurance consultation services through our call centers and community-based retail locations
-  Materials and communications in various Asian languages
-  Culturally-relevant events and value-added programs
-  Health and wellness programs targeting specific needs of Asian Americans
-  Extensive local and national provider networkⁱ, including thousands of linguistically- and culturally-competent providers
